**NARRATIVE:**

Herrera, a documented Pomona 12<sup>th</sup> street gang member, has an extensive criminal history that began at the age of 19. He has been convicted of inflicting corporal injury on spouse, battery, vandalism, felon in possession of a firearm, assault, possession of controlled substance, obstruction of a peace officer, and fugitive from justice. Herrera has served multiple state prison terms, the longest, a three (3) year term for felon in possession of a firearm. Herrera was released from state prison to the supervision of the Los Angeles County Probation Department on April 24th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after Herrera absconded from post release community supervision (PRCS). Herrera qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for felon in possession of a firearm falls under the guidelines for PRCS under the California penal code. His prior criminal history, gang affiliation, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
